2000

- A natural progression started when I began using video as my photographic medium. I soon began producing promotional video's for adventure companies and Tour operators and assisting DP's on corporate and commercial productions. I then began editing my own work and launched MVW productions. At the same time I became a freelance cameraman which led to freelance work as a DP.

1996 - 2000

- After specialising in Travel Photography, I travelled extensively with my camera for 4 years. Switzerland, France, Czech Republic, England, Thailand, Indonesia, Australia, New Zealand, Fiji, Cook Islands, Hawaii, USA.

1993 - 1995

- National Diploma of Photography. Port Elizabeth Technikon. Graduated with Distinction.

1992

- Matriculated at SACS, Cape Town
